FOR IMMEDIATE RELEASE

UPDATE

Rock Creek Bridge to be Closed Tuesday and Wednesday Nights

REDDING – The California Department of Transportation (Caltrans) is completing the final phases of rehabilitation work on bridges on State Route 70 in the Feather River Canyon. **Unanticipated work on the Rock Creek Bridge deck will require a complete closure at the bridge on both Tuesday and Wednesday nights. The bridge will close at 8 p.m. Tuesday, November 1, 2005 and open at 6 a.m. on Wednesday, November 2, 2005. Close again at 8 p.m. on Wednesday night and reopen on Thursday morning at 6 a.m.** This change in schedule is due to the cooler weather, the need for time for the concrete to cure, the width of the bridge and the size of the equipment needed to complete the job.

The work is part of a three-year project to rehabilitate five bridges along SR 70 in the canyon. Bridges are located at Pulga, Rock Creek, Storrie, Tobin and Howells. For more information please contact Jim Rogers, Caltrans Resident Engineer at 895-5245 or the Public Information Office at 225-3260.
